

#### Another War Over and for Cuba.

There is another side to the Cuban question, and one closely linked to the future of the island, whether as an erest known to mankind, an interest, in fact, which directs to open up a large material yard at Liberal, and controls all governments, whether of hereditary crown or of the people, the property destroyed will have to be ecounted for. And just here is, in our opinion, where

### The Rock Island Goes to El Paso.

Wichita is to get her chance at the trade of a long belt of country stretching from Liberal, Kansus, to El Puso Texas. The officers of the Rock Island have announced that the directory of that road have sanctioned the extension. In fact, much of the preliminary work is already completed. The ground has been thoroughly gone over ing for the best route for the line. Construction work on the new extension has already begun, and is being pushed ahead with unusual vigor. Several small construction parties have aready been sent and new gangs are being outfit. ted every day. A large quantity of material has been purchased, including 29,900 ties, and orders have been sent out

## The First White Child Born in Kansas,

t cannot be held responsible, and it is believed that the He lives in Wichita, and not at Topeka. He was born in one is established, for settlement. This fact scares the present site of Fort Leavenworth, all of which is a matter where of Cuba. The Cuban insurgent, for the of record and therefore susceptible of proof, as the Eagle

The fight over the ship subsidy bill is becoming inferes; hills that will be backed by guns.

And at this point there hinges another proposition, and a serious one, for the United States to consider, as it may involve this country in another and a much greater war over Cuba. With Cuba an independent government, followed by a demand from England and from Germany that the first Aside from the honest but impotent fres trade consider and the pay the bills for damages, one of two things would respond or he would say helping in the ship subsidy bill is becoming inferes; ing, with a promise of becoming profitable in more than one direction. Much of the opposition comes, not from the aliantic coast states. The Demonstrates will oppose it as a party policy. The New York Commences beyond description, and of low I look back to moments of harding our partnership with what I bear interior, but from the Aliantic coast states. The Demonstrates will oppose it as a party policy. The New York Commences beyond description, and one will be added to the whole insert known. The bear of the payent of the passant many some in love. After all I be like the form the honest but impotent fres trade comments of the measure. That paper asserts that holds with building tenacity to an explanded and rejected theory, the great and only influence the love and not the aweetbeart that one has lost. The your minit?"

The fight over the ship subsidy bill is becoming inferes; ing, what I i we what do you regret most? I regare my basid, with what I bear thought a spiculal inexplantation. The copyright is the cock of the measure. The Demonstrate my bear of the ship interior, but from the aliantic coast states. The Demonstrate my bear of the open or partnership with what I bear thought a spicular in explanding interior. The copyright is the cock of the measure of the papen asserts in the love and of the whole is the eldest insert from forcign steamship lines. They are the natural enemies of the American flag on the high seas, and their managers and representatives in the United States are resorting to every conceivable means short of acts absolutely treason. hehind the present opposition to the ship subsidy bill is the shock her head. "Come, you should tail me There, on what we know of his character he wouldn't pay unless the American flag on the high seas, and their managers Now, should England, Gurmany or any other and representatives in the United States are resorting to mpt coercive measures, would the United States every conceivable means short of acts absolutely treasontake up Cuba's cause again or otherwise permit some for- able to degrade and humiliate that flag in the eyes of the

Foreign money flowing like water into Washington to defeat a measure designed and supported by patriotic American for promoting American enterprise and American business!
